Ten States. One Gospel.

A beautiful evening during the recent ministry journey.

Dear Friends and Ministry Partners,

July and August have been filled with miles, ministry, and open doors. Our family traveled through Maine, Massachusetts, Virginia, Pennsylvania, Ohio, Indiana, Kentucky, Illinois, Missouri, and Arkansas—ten states in all—preaching Christ, singing, praying, and encouraging churches along the way.

Recent ministry stops included **Portland House of Prayer** in Portland, Maine, hosted by Pastors Frank and Lisa Siciliano; **Calvary Pentecostal Campground** in Ashland, Virginia; and **God's New Beginning Church** in Harrison Valley, Pennsylvania, along with other congregations throughout the journey.

At every stop, our desire was not merely to hold another service, but to strengthen the local church. We ministered through preaching, singing, piano music, prayer, altar ministry, and personal encouragement. Angela continued to minister at the piano, and together we shared the hope of the Gospel.

Several congregations were walking through seasons of transition or difficulty. At one recent stop, only a handful of people were present. We did not see a crowd that was too small—we saw people who mattered to God. Every church matters, every pastor deserves encouragement, and every soul is precious.

Thank you to every person who prayed, gave, shared our ministry, recommended us to a pastor, or opened a church door. You helped carry the Gospel with us through every mile.

**We do not require a minimum offering or set honorarium from churches.
Our desire is simply to be a blessing wherever God opens a door.**

Beyond the Church Walls

Who We Are

McCalip Family Ministries is a family-based evangelistic ministry dedicated to preaching the Gospel, strengthening local churches, encouraging believers and pastors, and advancing missions.

Billy has served in ministry for nearly 20 years, including 14 years as a founding pastor. The ministry's work has included church planting, evangelistic outreach, and missions in the United States, Africa, and India. Our message emphasizes salvation through Jesus Christ, faith in God, holy living, the power of the Holy Spirit, and the truth that **with God all things are possible**.

Taking the Gospel Farther

God has opened opportunities for the Gospel to reach far beyond the walls of a local church. The message **"A Father and Two Sons"** was carried through God Stands TV and made available to viewers through satellite, Roku, and Apple TV.

During a recent reporting period, our online ministry recorded more than **325,000 in reach over 28 days** and approached **one million views over 90 days**. These figures are not about recognition. Each number represents another opportunity for someone to hear the Word of God and receive a message of salvation, faith, hope, and the power of the Holy Spirit.

Why the Miles Matter

Within the past year, ministry travel has exceeded **40,000 miles**. Behind every service are hours of travel, prayer, study, preparation, and sacrifice, along with the practical expenses of fuel, lodging, meals, vehicle maintenance, and media outreach.

We also established a private Facebook prayer group so friends and partners can help cover the ministry in prayer. Every open door, safe mile, answered prayer, and life touched is strengthened by people who faithfully stand with us.
